Shlame Krausz v. Equifax Information Services, LLC et al.

Case No. 7:21-cv-07427-KMK

Request for Adjournment of Conference

Dear Judge Karas:

Polsinelli PC represents Defendant U.S. Bank National Association ("U.S. Bank") in the above-referenced matter. This letter is to request an adjournment of the Pre-Motion Conference on U.S. Bank's Motion for Judgment on the Pleadings.

The current date and time of the conference is April 6, 2022 at 12:00 p.m. Due to scheduling conflicts for myself and the only other attorney on this case at my firm, U.S. Bank is requesting a time later in the day on April 6, or another date at the Court's earliest convenience. No prior request for an adjournment has been made. Counsel for Plaintiff, Mark Rozenberg, consents to the request for an adjournment only so long as the alternate date is not from April 15 through April 22, 2022 due to a religious observance by Mr. Rozenberg.

U.S. Bank therefore respectfully submits this request for an adjournment to later in the day on April 6, or to another date to the extent it does not conflict with Mr. Rozenberg's religious obligations. Thank you for your consideration of this matter.

Manted. The Court Sincerely,
